**** High school students need to check with their high school for their first and last day of class.**

EACH STUDENT IS RESPONSIBLE FOR KNOWING AND ABIDING BY THESE POLICIES AND OTHERS WHICH MAY BE PREPARED AND POSTED THROUGHOUT THE YEAR.

PURPOSE

The objective of High Plains Technology Center (HPTC) is to provide quality training in career technical education to high school and adult students.

Our purpose demands that we meet changing and growing educational and industrial needs. This commitment means the development of new approaches and designs for learning. The long range concerns and needs of industry, business and labor, and the consumer, challenge us to design instructional programs that will provide competent citizens and workers with an opportunity to learn new skills and upgrade present skills.

HPTC realizes that all skills are transferable when the students have an understanding of the career field for which they are preparing and when they are motivated to become part of that field. HPTC also realizes job skills go far beyond the development of technical expertise and promote student experiences that help to develop the interpersonal skills that contribute to a successful work life. The objectives of the Board of Education, administrators, and staff of HPTC are:

1. Gainful Employment:
To prepare students for gainful employment.
2. Responsible Citizenship:
To provide an opportunity for the development of the proper attitudes of responsibility. Responsible citizens are required to look after the life and safety of those they serve, and they sometimes make judgments that affect the lives of many people.
3. Technical Skills:
To provide an opportunity for the students to learn about the many aspects of their occupation. The work students do must be acceptable both from the viewpoint of quality and quantity.
4. Creative Tendencies:
To develop in students the ability to do deductive and inductive reasoning.

5. Leadership:
To provide students with experiences in leadership so management qualities may be developed.

PHILOSOPHY

Through the services and training programs offered at HPTC, the supply of trained employees and the demand for skilled training can be more nearly balanced.

Each program is developed around goals and objectives defined by interests and needs of industry. The population served by the school consists primarily of four groups but may include others as needs and interests are expressed. These primary groups are: high school juniors and seniors, full-time adult students, part-time adult students, and business and industry.

All full-time day students are urged to participate in the activities of the Vocational Student Organizations: DECA, HOSA, VICA Skills-USA, and BPA. These organizations are designed to develop living skills that will better equip the students to become members of our complex society.

SCHOOL SCHEDULE

The school year is divided into four (4) nine-week sessions. Classes will meet a minimum of 175 days during the school year.

The school may also offer classes at other times for adults. See school calendar on page iv. Class hours are as follows for most classes:

ADULTS: 8:00 a.m. – 11:20 a.m. and 12:35 p.m. – 3:55 p.m.

HIGH SCHOOL: Schedules dependent upon partner school schedules.

STUDENT POLICY

This handbook is provided to assist students in becoming acquainted with HPTC. Each student should keep this handbook as a ready reference to questions that may arise during the school year.

Student policies apply to all students enrolled at the HPTC. The handbook can be accessed online at www.hptc.edu.

No Student Handbook can anticipate every situation or question about policies, therefore, HTPC reserves the right to revise, supplement, or rescind any policies or portions of this handbook as needed.

ENROLLMENT

HPTC serves the communities of Buffalo, Fargo/Gage, Ft. Supply, Mooreland, Sharon-Mutual, Vici, and Woodward.

In-district high school students who are at least 16 years of age have first priority to enroll in full-time programs.

Adults who reside in the district and are at least 16 years of age have second priority to enroll in full-time programs.

Out-of-district high school students have third priority to enroll in the program on a tuition basis. Tuition cost is \$7,028.50 per semester.

Out-of-district adults have fourth priority to enroll in the programs.

Each high school within HPTC District will be guaranteed a proportionate number of enrollment slots in the career tech programs. This allocation of guaranteed enrollment slots will be based on the high school enrollment at each local school.

The criteria for selecting students includes the following items ranked numerically in order of importance for enrolling in a program.

1. Prior attendance record in school/program.
2. Counselor's/Principal's recommendation.
3. Student's interest.
4. Grades and test scores.
5. Student's career objective.

Adult enrollment in the Business Technology program can occur at the beginning of each 9-week period. All other High Plains programs operate with a controlled open entry/exit enrollment policy based on space availability and program curriculum requirements with an emphasis on beginning in August.

ADMISSION POLICIES

ADMITTANCE TO TRAINING PROGRAMS

Past behavior may be used as a basis for determining an applicant's suitability for admittance to any training program. Students who have completed a career major may be eligible to enroll in additional career majors within the same program. Contact the financial aid director for questions regarding financial aid eligibility.

ADMISSION INTO FULL-TIME PROGRAMS

SECONDARY

Secondary students who live in HPTC district and exhibit interest and aptitude are eligible for enrollment with the consent of parents, the home school, and the concurrence of HPTC. All daytime programs encourage three hours attendance per day; however, students may enroll for less with permission from the HPTC counselor. After the enrollment demands of the in-district secondary students have been met, adults may enroll. Any high school student whose legal residence is in the Buffalo, Fargo/Gage, Ft. Supply, Sharon-Mutual, Mooreland, Vici or Woodward school district may attend HPTC tuition free. However, students will be admitted on the basis of career interest, academic ability in past school experiences, and vocational aptitude for a particular program.

Nonresident secondary students may enroll in the program they choose if they meet the above requirements; pay tuition (see page 6, section 11), provide their own transportation; have the approval of their parents or guardian, high school principal, and HPTC program administrator; and if the program has not reached maximum enrollment.

Students who have been home-schooled may pick up enrollment requirements in the Student Services area.

Adults

Adults who exhibit interest and aptitude may enroll in daytime programs if the program has not reached maximum capacity with resident secondary students. Certain programs at HPTC require special admission procedures. For the purpose of tuition, an adult is an individual who does not attend high school and is at least 16 years of age.

Health Careers Programs

Most of the career majors within the Health Careers program require participation in clinicals as part of the curriculum. Many health facilities require an OSBI background check prior to allowing anyone to participate in clinicals at their site.

Admission of Nonresident Students

The Board of Education believes that consideration should be given to all students desiring to attend HPTC. The District shall admit nonresident students on a tuition and space available basis.

Additionally, the District will cooperate with other Districts for the admission of their students into special programs. The cost for such admissions shall be established annually and the district from which the students (high school students only) come shall pay such cost and/or the student or parent(s) shall self-pay.

PROCEDURE FOR REQUESTING ACCOMMODATIONS FOR ADULT STUDENTS WITH DISABILITIES

Students with disabilities who are enrolling in a full or part time class at High Plains Technology Center and wish to request accommodations for their disabilities, must obtain a Request for Accommodation Form from their instructor, the counselor, or the assistant superintendent. Should a student need accommodations for the entrance assessments, the request for accommodations must be made at least two weeks prior to the assessments in order for reasonable accommodations to be made. Completion of the necessary documentation is the responsibility of the student making the request and for notifying the counselor at the time of assessment scheduling.

The disclosed disability must be documented by a qualified professional in a field related to the disability (i.e. a physician in the case of a physical disability, a psychologist or psychiatrist in the case of a mental illness) and be

based on current evaluation information (within the past three (3) years). The request must be approved by High Plains Technology Center's staff prior to delivery of services.

Action on accommodations will be provided in a timely manner with regard to obtaining assistive technology and/or supplementary services, etc., and must be related to the documented disability.

Questions regarding the status of the disability determination and accommodations while in process may be addressed to Amber Riley, 580-571-6183 or e-mailed to agriley@hptc.edu.

TRANSFER OF CREDIT

The instructor and/or counselor will evaluate any previous education and/or training documentation (i.e. transcripts from other schools, colleges and accredited institutions) and determine whether or not the student can receive advance credit for previous education and/or training. If advance credit is given, this will reduce the total number of career major hours the student will need to take. If eligible for Title IV aid the student will only be paid for the number of hours required to complete Career Major.

PROGRAMS OFFERED

Auto Mechanics, Business Administration Management (BAM), Construction Trades, Health Careers Certification, Marketing/Management, Medium/Heavy Duty Truck Technology, Multimedia, Service Careers, Practical Nursing (Adult only), and Welding.

SUPPORT SERVICES

High Plains offers various support services to assist students. These services include the following:

1. Career Counseling: The HPTC counselor is available to assist individuals in finding their career and technical aptitudes and interests, as well as to discuss other concerns students may have. Students are encouraged to use the counseling services available.
2. Academic Center: The Academic Center (AC) is designed to help students in technology education by providing assistance in basic and advanced academic skills for their specified training program. Services include evaluation, math instruction, reading instruction, computer literacy, adult basic skills and individual study. Software is available to enhance this process.
3. Assessment: All adult students will participate in a testing program which measures interests, abilities and basic skill level in math and communication. Adult and secondary students will also take the KeyTrain assessments. KeyTrain is the targeted curriculum and learning tool designed specifically to help people master the applied workplace

skills as defined by the WorkKeys® system and the National Career Readiness Certificate (NCRC). The KeyTrain™ system includes targeted, self-paced lessons, pre- and post-assessment tests, a complete learning management system and an occupational job profiles database. These tools help students learn, practice and demonstrate the WorkKeys® skills that will help students to succeed in the job and career path they choose. High School students are required to provide a copy of their ACT /Pre ACT assessment. If they have not taken the either test, they will be given a career assessment at the beginning of their enrollment.

4. Financial Aid: Financial Aid is available to eligible students. Available aid includes Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Work Study (FWS), Workforce Investment Act (WIA), Vocational Rehabilitation, Oklahoma Tuition Aid Grant (OTAG), Oklahoma's Promise (formerly known as
5. OHLAP), Physician Manpower, Veteran Administration (VA), Bureau of Indian Affairs (BIA), and others.

TUITION AND FEES

High school credit programs (3 hours/ 2 hours per day) for juniors and seniors enrolled in high school:

1. In-district students enrolled in high school full time, no tuition.
2. Out-of-district high school students may attend if they meet the enrollment criteria and space is available. Secondary out-of-district tuition is \$7,028.50. per semester.

Prior to admission, a \$20 assessment fee may be charged to adult students. A \$20 service charge will be made on all returned checks.

Tuition is collected from adult students by nine-week enrollment periods. Tuition must be paid prior to the beginning of each class session unless the registrar has been notified in writing that the student has a funding agency or is on financial aid, or unless prior arrangements have been made with the registrar. Students who do not make tuition payments in accordance with district policies will be withdrawn from the program .

Students who owe tuition or fail to return school property (Ex: books, fund-raiser products, uniforms, etc.) will not be allowed to participate in fund-raisers, activities relating to fund-raisers or other extra-curricular activities until the property or funds are paid to the school.

Students may be required to purchase uniforms, textbooks, instructional materials, tools, and to pay other student-related fees.

TEXTBOOK FEES - Adult students will be required to pay for books and materials prior to receiving them unless a sponsoring agency has authorized HPTC to charge these items for their eligible clients until the agency is billed by HPTC. Students on financial aid will have an account opened for them at the bookstore by the financial aid office or the registrar. See the financial aid director for more details.

REFUND POLICY

On or before the 1st day of class through the 10th day of class for the enrollment period for which the student has been charged.....100% refund. After the 10th day of class for the enrollment period for which the student has been charged.....0% refund

No refunds will be given for Adult Fees

Return to Title IV/Repayment formulas will be used for students receiving Pell grants

If a student is approved for a leave of absence and their tuition for that period has already been paid, then a tuition credit will be given for the portion of time in which the student was absent. The credit will be applied to their tuition once they return if they return within the time frame allowed per leave of absence policy. An example of a refund calculation can be found in the "Student Consumer Information" book located in the Student Services area.

STUDENT WITHDRAWAL POLICY

If a student withdraws from school prior to the end of a semester and/or financial aid disbursement period, the student must provide notice to the school either in writing or verbally.

Written or verbal notice should be submitted to the HPTC counselor and registrar, both of who are found in the Student Services office. The notice should contain the date the student will cease attendance and the reason for the withdrawal. After this process, the following will ensue:

1. The notice will be forwarded to the student's instructor to obtain the student's grade at the time of the withdrawal.
2. The notice will also be immediately forwarded to the financial aid office if the student is on financial aid.
3. The financial aid office will calculate any overpayment of aid and notify the student in writing within 30 days.
4. The student will be billed for any overpayments owed to be returned to the Federal Financial Aid programs.
5. If the student has not repaid the funds within 45 days, the repayment due will be posted to the National Student Loan Data Base showing the student is ineligible for further funding. The Collection Department of the U. S. Department of Education will also be notified.
6. The student will be billed by the registrar for any funds that HPTC is required to repay.

CHANGE OF SCHEDULE

Students will be permitted to change programs during their first two weeks of class. Program changes will be considered on the following basis (1) availability of space in another program and (2) approval of administration and instructor.

Schedule changes must be arranged through the counselor and cannot be made without the approval of the administration and the instructor(s) involved.

ATTENDANCE REGULATIONS

All students attending HPTC must attend 90 percent of the enrollment period. Absences which fall under the excused absence guidelines on page ten will not be charged against the minimum attendance requirement. Adult students qualifying for and receiving financial assistance must comply with the attendance standards required by the federal government to continue receiving financial assistance. No more than 10% of the hours may be excused for each payment period.

If school is cancelled due to inclement weather or any other reason, HPTC administration will notify the sending schools, K-101 radio station, post on the HPTC website, and social media.

Since HPTC is an extension of the high school, a student's home school activities requested by the home school principal will not be considered a school absence. Notice of home school activities should be given to HPTC by the home school principal prior to the activity.

HPTC attendance officer will contact the high school to verify the absence. The parent/guardian will be notified when absences become excessive.

Military leave will be considered on an individual basis.

Homebound status will be considered on an individual basis by the HPTC instructor, counselor, and home high school principal.

ATTENDANCE POLICY

Students attending High Plains Technology Center are expected to be present on the days that classes are in session. Strict attention will be given to the development of the good habits of punctuality and attendance. The success of a business is greatly affected by the dependability and productivity of its employees. The school cannot recommend for employment those students with excessive absences. We suggest that students maintain a good attendance and grade record so that we may help them when seeking employment. The attendance record is normally the first thing an employer considers.

The following attendance policy is based on the practices of industry and is an important part of career training. It is also in keeping with a standard practice of 90 percent attendance being required to receive a certificate

within a program. Local board attendance policies have the force and effect of law. Attendance officer makes the determination of excused or unexcused absence. (70 O.S. § 10-108; S.L.O. § 233).

Absences

Absences are permanently recorded and no absence will be removed from the attendance record. Absences are recorded on a semester basis. Students are allowed 10 unexcused absences per semester. If a student goes over 10 unexcused absences, he/she will receive a grade of incomplete for that semester. Instructors will turn in their student eligibility each week so that information can be disbursed to the partner schools in a timely manner. Students are required to provide documentation for all absences. This includes notes from the doctor, appointment notification, funeral notice, etc. Absences will be recorded as follows:

1. At the third, fifth and tenth absence a letter outlining the student's attendance will be given to the parent/student if all documentation is not in order.
2. *If a student receives a "no credit" due to attendance at the semester, he/she may file for an appeal and meet with the attendance committee.

Students who miss more than 25 percent, regardless if they have acceptable documentation, may be dropped from their program. Students who are dropped from their program due to missing more than 25 percent may re-enroll after 18 weeks if they so choose. If a student is missing due to a medical situation, he/she may file for a leave of absence. High school students who miss more than 25% will be required to have an attendance hearing to review the student's program status. Parents are required to attend this hearing if the student is under the age of 18. (note: FERPA rights vest in students once they turn 18 and the school cannot communicate with parents unless the student has given written permission for the school to do so).

Skipping Class – is defined as failing to attend school or leaving school without authorization (*Students must check out through the office prior to leaving school other than at the end of the school day). Students who do not check out through the office prior to leaving school will be counted as an unexcused absence.

Appeal Procedure

Students who receive a grade of incomplete due to attendance may submit an appeal to go before the attendance review committee if they wish to attempt to obtain a grade in their program. A hearing will not be required for students who have given their documentation to the attendance officer. If an appeal is required, it is the student's responsibility to contact the counselor

to file an appeal. Appeal forms are located in the Student Services area.

The appeal committee will determine if the absences were caused from extenuating circumstances based upon documentation presented by the student. The committee will then determine whether or not the student will receive credit for the program (*drop in the case of adults), possible contract implementation, or be allowed to continue/receive credit. If the committee does determine that the student may continue in the program, the student will be required to make up the missed work. The attendance committee will meet each semester to review student's attendance. The final decision may be made at the end of each semester.

*In reference to **HIGH SCHOOL STUDENTS**, if the attendance committee recommends that the student receive a "No Credit" due to attendance,

High Plains may also recommend that the student return to the sending school for the following semester.

*In reference to **ADULT STUDENTS**, if the student has not supplied the required documentation, the student may file for an attendance appeal. The attendance committee will meet to determine the student's eligibility to continue in the program.

It is highly recommended that if a student feels that he/she has the appropriate documentation for extenuating circumstances, that he/she meet with his/her instructor to begin attempting to make up any missed work. The committee will take into consideration that the student is attempting to correct the attendance situation.

If a student is on financial aid, the student will not be making satisfactory academic progress with a failing grade. See the Student Consumer Information Guide located in the Student Services area for details on the consequences of not meeting satisfactory academic progress.

ATTENDANCE COMMITTEE

The attendance committee may consist of the following people:

- 1 Instructor from the program in which the student is enrolled
- 1 Counselor
- 1 Assistant Superintendent
- 1 Attendance Officer

Examples of extenuating circumstances:

1. Personal illness with verification from a doctor
2. Death in the family or funeral of a close friend
3. Professional appointments (doctor, dentist, etc.)
4. For secondary students a home school sponsored activity when approved by the administration.
5. Court (Court is not excused if the situation is considered to be the fault of the student).
6. Other reasons justified by the administrative office

Examples of circumstances NOT to be extenuating:

1. Truancy
2. Leaving school without proper clearance from the office
3. Suspension for infraction of school policies
4. Forgery of signature on excuses
5. Work
6. Missed the bus
7. Shopping
8. Beauty shop or barber
9. Oversleeping

Tardies

A student is tardy if the student is not in the assigned room area (as determined by the teacher) when the bell rings. Each tardy will be recorded as no less than a 30- minute absence, by 30-minute intervals, up to 1.5 hours. For example: If a student is 15 minutes tardy, it will be recorded as 30 minutes; if a student is 45 minutes tardy, it will be recorded as 60 minutes (two tardies). Tardies in excess of 1.5 hours will be recorded as an absence. Tardies for leaving class early will be recorded the same way. Example: if a student leaves 25 minutes early, it will be recorded as 30 minutes; if a student leaves 65 minutes early, it will be recorded as 1.5 hours. All hours of tardy, absence, and suspension will be added to the student's total absence accumulation. Four tardies equals one absence.

Authorized Activity Absences

Activity absences are the responsibility of high school students. Students are required to see the Attendance Officer when they are absent for home school activities to ensure that the home high school validates the activity so that the students will not be counted absent.

Non-participating activities are those activities at the home school in which the student is a spectator and is not required to attend. Should a student wish to attend a home school activity during the HPTC class hours, the student should take the following criteria into consideration:

1. Am I an active participant?
2. Is the activity optional?
3. Is my HPTC grade a "C" or better?
4. Have I excessive absences or tardies?

It is the student's responsibility to check with the instructor for making up work.

Leaving Campus

All day program students who need to leave the campus prior to the regularly scheduled ending time are required to obtain permission from the Assistant Superintendent or Counselor prior to leaving the

campus. For high school students, a note from the home high school principal/parent, or telephone communications must accompany any request for a permit to leave school. High school students may only check out of school with the personal permission of their parent or guardian if the student is under the age of 18. Permission must be given in person or on the phone to the attendance officer before the student may be approved to leave school.

If a student leaves the campus prior to the regularly scheduled ending time without signing out, it is counted as an unexcused absence. If the student returns to HPTC, they are required to sign in with the attendance office.

Students are not to be excused from classes or shops unless it is absolutely necessary. Hall and restroom traffic should be kept to a minimum. Students will not be allowed to drive their vehicles to transport other students to school activities or for other purposes.

Perfect Attendance

Perfect attendance recognition will be given to those students who are neither absent, tardy, nor excused from class before the termination of the class periods.

LEAVE OF ABSENCE POLICY

A student may request a leave of absence for medical and/or emergency situations that will affect a student's attendance for an extended period of time. The following procedures must be followed:

1. Student will request the leave of absence in writing to the HPTC counselor or administrator for day programs (found in the Student Services area). The written request must include the reason for the request and the number of days requested.
2. The counselor and/or administrator will inform the student within 24 hours if their request for a leave of absence is approved.

The following rules will apply to all leaves:

1. Only one leave of absence in a 12 month period will be approved (unless jury duty or military reasons apply as listed in #8).
2. The leave of absence cannot exceed 60 days. Days should be consecutive unless otherwise approved by the attendance committee.
3. Student taking an approved leave retains in-school status; however, tuition will not be charged for the time frame of the leave of absence.
4. A financial aid disbursement period will be extended the number of days equal to the number of days of the leave of absence.

5. If the leave of absence is medically related, the student must provide a medical release to the counselor/administrator prior to returning to class and/or on-the-job training. Re-admittance will not be allowed without a release.
6. Upon a student's return, the student will be allowed to complete course work that was started prior to the leave.
7. Students failing to return from an approved leave of absence will be dropped from their program and cannot return for 18 weeks.
8. Additional subsequent leaves (not to exceed 30 days) may be granted for unforeseen circumstances. Additional subsequent leaves may be granted for jury duty and/or military reasons. (FMLA 1993).

PROBATION

Probation is a trial period to determine if the student is willing to abide by the rules of HPTC. If a student is placed on probation, the student and/or a parent for the high school student if the student is under the age of 18 will be asked to sign all probation forms indicating his/her willingness to abide by the probation requirements. The student may be temporarily suspended until the probation form has been signed and returned to the Student Services office. During this probation period, the high school student's parent or the adult student must call High Plains Technology Center's administrator's office on any day a student will not be in class. High school students who violate the probation requirements will be suspended from HPTC until the high school student's parent if the student is under the age of 18 and a HPTC administrator confer.

Adult students who violate the probation requirements will be dropped from their program.

Adult students attending under funding by federal aid or other outside agencies, or who are in a program leading to a licensure are responsible for maintaining their attendance as required by these agencies/departments.

SCHOOL NURSE

High Plains provides a school nurse to assist with the general care of the students. The school nurse shall not provide medical attention for accidents that occur off-campus. All decisions regarding student illness will be made by the school nurse. The nurse, through the consent of the administration, may provide a maximum of three verification of student illness as documentation required by the attendance regulations per semester. The school nurse is provided only for students of HPTC. Students who need to access the school nurse must check in with the Attendance Officer or Counselor prior to being seen and they will arrange for the school nurse to see the student. Students are not allowed to disrupt the Health Class at any time. The school nurse will oversee the implementation of the student diabetes medical management plan.

ACADEMIC REQUIREMENTS FOR CONTINUING ENROLLMENT

A student is expected to make progress toward satisfactory completion of his/her program in order to be eligible to continue. A student with unsatisfactory progress may be placed on scholastic probation for one semester. The student may change to another program with permission of the counselor and instructors.

The Assistant Superintendent of Day Programs and the program instructor will determine whether or not a student should be placed on probation during the semester. If at the end of the probationary period satisfactory progress is not achieved, the student will be counseled concerning future enrollment.

A student who fails to attend class regularly or otherwise demonstrates a lack of appropriate concern for satisfactory progress and conduct will be dropped from the school. Students who are on special student financial aid programs will not continue to receive funds if satisfactory progress is not maintained due to poor grades or lack of attendance.

STUDENT EVALUATION

In calculating a student's final grade for a nine-week period, the final grade will be based on a numerical daily grade, technical skills and written work, tests and attendance. Full-time students will receive an a.m. grade and a p.m. grade that will be averaged together for the final grade. The numerical grades will then be averaged together for a composite numerical grade result. This numerical grade will be converted to a letter grade according to the following scale:

A - 90 - 100	I - Incomplete
B - 80 - 89	NC - No Credit
C - 70 - 79	WP - Withdrawn Passing
D - 60 - 69	WF - Withdrawn Failing

An incomplete grade (I) must be made up within TWO WEEKS after grade cards are issued for a nine-week period.

Students who do not maintain academic progress may be dropped from their program. Adult students receiving financial assistance must comply with the grade standards required by the federal government to continue receiving financial assistance. See the HPTC Student Consumer Information Guide (located in the Student Services area) for information concerning satisfactory academic progress. In order for a student to receive a passing grade and/or certificate of training, it is the student's responsibility to do the following: complete academic requirements, return all school-owned books and equipment, (or pay for the same), and be present 90 percent of time.

Cheating in a program will not be tolerated in any manner and may lead to suspension. **ANYTIME A STUDENT DROPS BELOW 74, THE INSTRUCTOR WILL NOTIFY THE HPTC COUNSELOR.**

Credit

The high school student will earn units of credit to apply toward graduation. The number of credits a student may earn is based upon the number of hours the student is enrolled in a specific program each semester. Based upon the number of hours a student completes in a program, he/she will be eligible to receive a career certificate after satisfactorily completing his/her program. Credits are given by the home school.

Attendance Grades

Absences are permanently recorded and no absence will be removed from the attendance record. Absences are recorded on a semester basis. Students are allowed 10 unexcused absences per semester. If a student goes over 10 unexcused absences, he/she will receive a grade of incomplete for that semester. Instructors will turn in their student eligibility each week so that information can be disbursed to the partner schools in a timely manner. Students are required to provide documentation for all absences. This includes notes from the doctor, appointment notification, funeral notice, etc.

PROGRESS REPORTS

High school students' progress reports will be mailed to the sending schools and a copy will be given to the HPTC counselor each nine week period. Adult progress reports will be given to adults and a copy will be given to the HPTC counselor and the Financial Aid Officer. Weekly grades will be checked and the student and the sending schools (when the student is a secondary student) will be notified of student eligibility.

STUDENT RECORDS

Student records shall be defined as any material concerning individual students maintained in any form by the school board or its employees. Personal notes and work products maintained by instructors and other school personnel are solely for their own individual use and not communicated to any other person.

A comprehensive system of records will be kept on each student. This will include such information as grades, attendance, punctuality, work experience, character, and attitude. A transcript of a course taken and grades earned will be made available to the student upon request. Attendance and grade records for high school students will be transferred to

the home high school to become part of their permanent record. Daily progress records are kept by each instructor, and a grade report will be furnished to each student at the end of each nine week period.

All records for a student under 18 years of age shall be open to the student's parent/guardian. The school shall provide whatever assistance necessary to enable the student and parent/ guardian to understand the material in the record.

Every student 18 or older has access to his/her cumulative records upon completion of the request form (available in the counselor's office).

TRANSPORTATION

High school students are expected to use the transportation provided by HPTC. Student Vehicles: Students may drive their own cars to school at their own risk of personal or property damage and in the case of high school students only if the home school permits. Students who do not follow the listed rules shall lose campus-driving privileges. Students will not be permitted to go to cars during class or break time. Cars should be locked when not in use. The school is not responsible for theft of personal articles in the automobiles or elsewhere.

The following regulations must be observed by student drivers:

1. Maximum speed on campus is ten (10) miles per hour.
2. Park only in your designated area.
3. Parking is not permitted in fire lanes.
4. Park correctly in the parking lot.
5. Do not park in restricted areas. Students with the proper handicapped decal may park in the designated spaces for the handicapped.
6. Students may not return to their cars during break time or class time.
7. Students may not be allowed to remain in their cars upon arrival at school.
8. Selling merchandise from the parking lot is prohibited.
9. All vehicles must be registered with the registrar. The HPTC decal must be displayed on the lower left corner of the windshield. The first decal per vehicle is free, however, additional stickers will cost the student \$2.00 each. Parking or other violations are subject to the following: 1st offense - \$5.00 fine, 2nd offense - \$10.00 fine, 3rd offense - \$25.00 fine, and at the 4th offense – the vehicle may be towed at the owner's expense and/or loss of driving privileges to HPTC Campus.
10. Students will not park inside the chain link fenced area or enter this area without permission from an instructor or administrator.
11. Students will not park in visitor parking spaces.

Failure to comply with the above rules may result in loss of driving privileges. Excessive tardies may be cause for loss of driving privileges for high school students.

DISCIPLINE AND STUDENT BEHAVIOIR

Because teachers are required by law to maintain a suitable environment for learning and administrators are responsible for supporting, maintaining and facilitating the educational process, they shall have the authority and obligation to discipline and control students who interfere with the normal flow of the educational process. Students are expected to behave in a manner that is consistent with societal standards.

The Assistant Superintendent shall have the authority to implement disciplinary procedures with any student who is guilty of the following acts while on school district property and OJT site, while in attendance at any school sponsored activity, or while under the general supervision of school officials, regardless of location:

1. Assault and battery of another student or person.
2. Being under the influence of, in the possession of, or consuming any alcoholic beverage or a dangerous and/or controlled substance.
3. Continued absenteeism and tardiness.
4. Creating or attempting to create a disturbance.
5. Defying the school administrator/employee's authority.
6. Disobeying an instructor or administrator willfully and openly.
7. Engaging in acts of immorality.
8. Possession or use of any dangerous weapon, including fireworks, paintball guns, unauthorized mammals or reptiles.
9. Showing disrespect for or causing damage to school property, or any property, while under supervision of school personnel.
10. Stealing school-owned property or property belonging to school employees or students, or any theft while under the supervision of school personnel.
11. Using profanity, vulgar language, expressions, or materials that breech community standards.
12. Violating the rules and regulations of the school.

In addition to the preceding, a student will be subject to disciplinary action, including suspension or expulsion from school, when charges are filed in any court, (municipal, state, or federal), which accuse a student of commission of a criminal offense occurring on or off school premises at any time, and it is determined that the filing of said charges cause, in the opinion of the school, administration, a possibility that continued attendance of the student at school could have direct and adverse immediate effect on discipline, operation, general welfare, educational environment, and/or safety of HPTC.

Students who have been suspended or expelled are not to be present at any school-sponsored activities or on any school premises of HPTC.

Students who have violated the attendance policy due to days of suspension cannot participate in school sponsored activities.

EMERGENCY SUSPENSION

The Assistant Superintendent of Day Programs may suspend a student on an emergency basis, without a hearing, if they have reasonable cause to believe that:

1. The physical safety of the student or of others is endangered; or
2. where the school is in the midst of violent upheaval; or
3. the student is causing substantial interference with the operation of the school.

An emergency suspension shall terminate when it is reasonably determined that the student's presence in the school will not result in a situation warranting emergency suspension under the Student Code (not to exceed three days) unless the administrator commences the notice and hearing procedure provided in the Student Code for expulsion or an informal hearing is held for temporary suspension.

The Assistant Superintendent shall make a reasonable effort to contact the parent/guardian of a secondary student under the age of 18 by telephone, stating the acts(s) for which the suspension was ordered. The parent/guardian should be invited to discuss the reasons for the suspension. If the parent/guardian cannot be contacted by telephone, a written notice will be mailed.

“Any pupil who is guilty of violation of the regulations of a public school may be suspended. This suspension shall not extend beyond the current school semester and the succeeding semester; provided, the pupil suspended shall have the right to appeal from the decision

27.

of the superintendent to the board of education of the district, which shall, upon a full investigation of the matter, determine the guilt or innocence of the pupil; and its decision shall be final.” School Laws of Oklahoma, 70-24-101.

SUSPENSION LAWS OF OKLAHOMA

A student shall be suspended from school for serious offenses and/or for multiple infractions of lesser offenses. A student that is suspended from school shall not be allowed on school property, or to participate in or attend extra-curricular activities during the period of suspension. A student shall serve the assigned suspension period on consecutive school days.

The administration may recommend a long term suspension, which shall be defined as exclusion from regular classroom instruction for any period

exceeding ten (10) days, when a student violates one or more parts of the Student Code. It has been the policy of HPTC, in agreement with the seven sending schools, that if a suspension occurs at either the HPTC campus or the home school, the suspension will also be in effect at the other campus.

If the administration contemplates long term suspension, same shall mail within one (1) week of the alleged act(s), a notice of an informal hearing to the parent/guardian of the student if the student is under the age of 18. Such notice should contain:

1. The time, date, and place of meeting
2. A description of the proposed action
3. A description of the school regulation(s) allegedly violated by the student and the act(s) allegedly committed by the student
4. Names of witnesses who will be present

The informal hearing shall be no sooner than five days from the date the notice is postmarked, unless both parties agree to an earlier hearing. The parent(s) and/or guardian of students under the age of 18 are encouraged to fully participate in the hearing. The administration will make an effort to contact the parent/guardian of students under 18 years of age by telephone to communicate directly the information contained in the written notice.

No suspension, except for a suspension for possession of a firearm shall extend beyond the current school semester and succeeding semester.

At the conclusion of the informal hearing, if a long term suspension is imposed, the student shall be informed of their right to request an appeal hearing before a committee through the Assistant Superintendent of Day Programs. This committee will consist of at least three members of the administrative staff. This appeal hearing shall be held within one week of the date such request is made. The request for an appeal hearing must be made within two weeks. The committee conducting the hearing shall determine specifically if there was sufficient evidence to find that the alleged violation(s) occurred, and if the penalty imposed was appropriate for the violation(s). The decision of the committee is final. A tape recording or verbatim transcript shall be made.

APPEAL/COMPLAINT PROCEDURE

With every student's right goes a counter student's responsibility. High Plains Technology Center expects our personnel to continually stress the importance of orderly conduct. Channels of communication are always available for students via student-teacher, student-counselor, and student-administrator dialogue. If all channels are exhausted, a student may use the following complaint/appeal procedures. Students are to discuss their complaint informally with the person against whom the complaint is directed. It is the hope of all that most complaints can be resolved via meaningful dialogue. The counselor may serve as a liaison in attempting to bring the parties together. If this proves inadequate, the student may:

Procedure:

- Step 1 Submit his/her complaint in writing to the Assistant Supt. of Day Programs within five days. The Assistant Supt. of Day Programs shall call a meeting of the student (who may bring counsel) and the parties concerned. The Assistant Supt. of Day Programs decision shall be in writing.
- Step 2. If the complaint is not resolved to the student's satisfaction, he/she may appeal to the Superintendent within five days. The Superintendent's decision shall be final.
- Step 3 If the complaint involves the Assistant of Day Programs, it shall go to the Superintendent within five school days. The Superintendent shall call a meeting of the student and the parties concerned. The Superintendent's decision shall be in writing. The Superintendent shall make every effort to resolve the matter equitably and as quickly as possible.
- Step 4 High school students suspended for more than ten (10) days may request a review of the suspension with the appeal committee or to the district board of education.

IMPLIED AUTHORITY

A school district...may exercise those powers necessarily implied, but not delegated by law to any other agency or official (70 O.S. § 5-117; S.L.O. § 68). The teacher or administrator shall have the same right as a parent or guardian to control and discipline a student while the student is in attendance in school or in school vehicles to or from the school or while attending or participating in any school function authorized by the school district. All students enrolled in High Plains Technology Center will be expected to abide by the rules and regulations set forth by the administration, teachers, and the board of education while in attendance at school-sponsored activities, or while being transported to or from school or school-sponsored activities in district owned transportation equipment. Any student who is found to be disobeying the rules or showing disrespect for any school staff and/or school property will be subject to disciplinary action. The disciplinary action taken will depend on the severity of the violation and the number of times the student has broken the regulation.

It is the policy of the board of education to cooperate with law enforcement where students are concerned. Law enforcement, individuals or

other entities, requesting to speak to or search a student or property in the possession of the student, need to first contact the Superintendent, Assistant Superintendent(s) or Counselor.

SEARCHES

The superintendent or, principal, teacher, or security personnel of any public school in the State of Oklahoma, upon reasonable suspicion, shall have the authority to detain and search or authorize the search, of any pupil or property in the possession of the pupil when said pupil is on any school premises or while in transit under the authority of the school, or while attending any function sponsored or authorized by the school, for dangerous weapons or, controlled substances, as defined in the Uniform Controlled Dangerous Substances Act, intoxicating beverages, low-point beer, as defined by Section 163.2 of Title 37 of the Oklahoma Statutes, or for missing or stolen property if said property be reasonably suspected to have been taken from a pupil, a school employee or the school during school activities. The search shall be conducted by a person of the same sex as the person being searched and shall be witnessed by at least one other authorized person, said person to be of the same sex if practicable. The extent of any search conducted pursuant to this section shall be reasonably related to the objective of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction. In no event shall a strip search of a student be allowed. No student's clothing, except cold weather outerwear, shall be removed prior to or during the conduct of any warrantless search. The superintendent or, principal, or security personnel searching or authorizing the search shall have authority to detain the pupil to be searched and to preserve any dangerous weapons or, controlled dangerous substances, intoxicating beverages, low-point beer, or missing or stolen property that might be in their possession including the authority to authorize any other persons they deem necessary to restrain such pupil or to preserve any dangerous weapons or, controlled dangerous substances, intoxicating beverages, low-point beer, or missing or stolen property. Students found to be in possession of such an item shall be subject to the provisions of Section 24-101.3 of this title. Pupils shall not have any reasonable expectation of privacy towards school administrators or teachers in the contents of a school locker, desk, or other school property. School personnel shall have access to school lockers, desks, and other school property in order to properly supervise the welfare of pupils. School lockers, desks, and other areas of school facilities may be opened and examined by school officials at any time and no reason shall be necessary for such search. Schools shall inform pupils in the student discipline code that they have no reasonable expectation of privacy rights towards school officials in school lockers, desks, or other school property. (70-24-102)

WEAPON POLICY

Any student in this school district who uses or possesses a firearm at school, at any school-sponsored event, or in or upon any school property including school transportation or school-sponsored transportation may be removed from school for up to one full calendar year.

1. Firearms are defined in Title 18 of the United States code, Section 921, as (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device including any explosive, incendiary or poison gas, bomb, grenade, rocket having a propellant charge of more than four ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine, or any device similar to the above. Such firearm or weapon will be confiscated and released only to the proper legal authorities.

2. Oklahoma status, Title 21, Section 1280.1 prohibits any person, except a peace officer or individuals who have concealed carry permits (which permits weapons to be in their vehicles that are parked on the premises of career technology centers), to have in such person's possession on any public or private school property or while in any school bus or vehicle used by any school for transportation of students or teachers any weapon as defined below:

"...any pistol, revolver, dagger, bowie knife, dirk knife, switchblade knife, sprint-type knife, sword cane, knife having a blade which opens automatically by hand pressure applied to a button, spring, or other device in the handle of the knife, blackjack, loaded can, billy club, hand chain, metal knuckles, or any other offensive weapon."

Any student who violates this policy will be subject to discipline which may include suspension up to one full calendar year (for firearms) or for any terms less than one calendar year (for weapons other than firearms) as determined by the Superintendent or Superintendent's designee. The Superintendent or designee may modify the provisions of this policy on a case-by-case basis. However, substantial modification must be reported to the Board of Education at its next meeting.

DRUG-FREE SCHOOL AND CAMPUS PROGRAM

The distribution, consumption, possession, use, or to be under the influence of any illicit drug, including but not limited to: marijuana, narcotics, hallucinogens, amphetamines, barbiturates, anabolic steroids, and/or alcoholic beverages, anywhere on the school grounds or while in transit or in attendance at any school sponsored activity is prohibited. This is our standard of conduct for students attending HPTC.

Disciplinary action may be imposed if the above regulation is violated. This includes search, suspension, or expulsion in accordance with applicable school policy and student handbook regulations. Student searches may be made based on a reasonable suspicion of a violation of school rules.

DRUG TESTING POLICY

HPTC will not tolerate students who use, possess, distribute, purchase, sell, or are under the influence of illegal chemical substances and therefore may administer to students a breath analysis, saliva or urinalysis test whenever the administration has reasonable suspicion that the student, while in attendance at school, in attendance at a school activity, or when on school transportation, has consumed or is under the influence of alcohol or other intoxicating substances. "Other intoxicating substance means any controlled dangerous substance as defined in the Uniform Controlled Dangerous Substances Act, 63 Okla. State. Section 2-101, and any other substance other than alcohol which is capable of being ingested, inhaled, injected, or absorbed into the human body and is capable of adversely affecting the central nervous system, vision, hearing, or other sensory or motor functions, and which can be detected by means of breath analysis or urinalysis test. The test can be administered at any school related function even though the student may have consumed the alcohol or other intoxicating substance off school grounds. The test may be administered even though the student may not be under the influence according to state criminal statute. Prior to the administration of a test, the student will be allowed to inform the person performing the test of any substance the student may have consumed which might result in a positive registration by the breath analysis urinalysis or saliva test. If the student refuses to take either test, their parent may at their expense have the test administered by a health care provider. The student would not be readmitted to school until results of the test were provided to the school administration. Punishment of a student for being under the influence of alcohol or other substance is not dependent upon the administration of a test, and thus punishment may be imposed based upon observations of the student. Provided, that if a student is informed that the student appears to be under the influence of alcohol or other intoxicating substance, a test will be conducted at the request of the student. If a student refuses to take a test, the administration may proceed to make a determination as to any desired discipline based upon a reasonable suspicion. The following discipline may be assigned if the student tests positive: The administration may order a student to be suspended from school for a period of 10 days up to a semester. The administration may form regulations to implement the policy.

DRUG TESTING POLICY FOR HEALTH STUDENTS

Due to the devastating impact the use of alcohol and/or illegal substances can have on the safety of patients, students, and employees of HPTC and various clinical facilities at which health students may perform clinical practice rotations, HPTC will not tolerate students who use, possess, distribute, purchase, sell, or are under the influence of illegal chemical substances. All students enrolled in an HPTC Health program or course with

a clinical site that requires drug testing are tested for drugs and alcohol prior to their participation in clinical rotations. Reasonable suspicion testing is performed as determined necessary by the supervisor of the Health programs or courses. All drug and alcohol testing is conducted in compliance with applicable law. Any student who tests non-negative or positive for illegal drugs or fails to participate in or cooperate with any part of the testing process will be immediately withdrawn from their clinical rotation and may be dismissed from their Health program or course. The same is true for any student under age 21 who tests positive or non-negative for alcohol. Adult students who attend any class, lab, clinical rotation or any other HPTC function with alcohol in his/her system will be immediately withdrawn from clinical rotations, class, lab or other function, and may be dismissed from their Health program and from HPTC.

USE OF TOBACCO PRODUCTS

Secondary students may not use tobacco products on the High Plains Technology Center's property. Possession of tobacco or tobacco related products by high school students is prohibited at school or school sponsored activities. Possession of any tobacco products is a misdemeanor and may be reported to law enforcement (21 O.S. §21-1241; S.L.O. 827, 828). Adults may smoke in the designated area.

DRESS CODE

It is the consensus of the administrative and instructional staff at High Plains Technology Center that, in addition to teaching a marketable skill, the school should help students realize that society generally demands certain personal characteristics of those who hope to succeed within it. Prospective employers prefer that students develop and demonstrate these characteristics during the training period in order that they may adjust more quickly to job responsibilities following initial employment. Clothing should be neat, clean, inoffensive and appropriate to meet sanitation and safety requirements specific to their training programs. Some examples of inappropriate attire are clothing or accessories that display obscene or profane language or symbols; symbolic of drugs, alcohol, sex, or illegal activities, or that unduly expose the body (for example bare midriffs, clothing that allows the undergarments to be visible when the student is sitting or walking, tank tops, short shorts and leggings/yoga pants without a long shirt). Also prohibited are the nude look, see-through shirts and revealing fashions without appropriate concealing undergarments. For safety and health reasons, footwear is required. Hair should be neat, clean and well-groomed at all times. Additional guidelines may be required within training programs or departments. Due to safety, sanitation, and security reasons and the safety of those around them, students must be appropriately dressed in relation to the trade for which they are preparing, as defined by the instructor in each program and approved by the administration of the school.

Students who participate in trips for a career tech student organization are expected to wear the official dress of the organization when appropriate.

Only hats or caps that are part of the training program will be permitted to be worn in the program area. No hats or caps may be worn in the seminar center when group meetings or assemblies are in progress. Medical and religious exceptions to the no hats or caps rule will be made on a case by case basis.

STUDENT SAFETY

Shop safety will be given the utmost consideration and is tied very closely with shop conduct. Completed safety tests will become part of the student's program file. At the beginning of each year, safety glasses will be issued to students in programs where an eye hazard exists. Replacement cost for lost or damaged glasses will be charged to the student. Protective clothing and footwear may be required in designated programs.

CAREER TECHNICAL STUDENT ORGANIZATIONS (CTSO)

CTSO's are an integral part of each training program's curriculum. CTOS's enable students to make informed career choices, develop planning and organization skills, strengthen leadership capabilities, develop citizenship, and improve self-confidence while reinforcing occupational learning. CTSO's also provide students with the opportunity to compete with other Career Tech students across the district and state who are in similar programs. In as much as the CTSO's are an integral part of the students training program, students that have been or are currently on probation and/or suspension may not be allowed to participate in on or off campus student activities. This includes, but is not limited to, CTSO officers.

Most of the student activities during the year are sponsored by:

1. Distributive Education Clubs of America (DECA)
2. Business Professionals of America (BPA)
3. Health Occupations Students of America (HOSA)
4. National Technical Honor Society (NTHS)
5. Skills USA (VICA)

CTSO's are sponsored by the instructors of HPTC programs and are essential for quality career training.

PARTICIPATION IN SCHOOL SPONSORED ACTIVITIES

FIELD TRIPS: Field trips, both inside and outside the HPTC district, are an integral part of the learning process in all areas of career education. Such trips are planned by the instructor and approved by the administration. Students are required to have the appropriate forms completed prior to taking field trips. Instructors will notify the attendance

officer of all students who are attending the field trip a minimum of two days prior to any field trip so the student's academic eligibility can be checked.

Transportation for all trips will be provided or approved by HPTC administration. Only students in good standing with HPTC and their home high school will participate in school sponsored activities.

Field trips are designed to enhance the academic curriculum. The field trip destination is considered to be an annex of the High Plains Campus; therefore, all rules that apply while a student is at High Plains also apply while a student is on a field trip. Students who have violated the attendance policy due to days of suspension cannot participate in school sponsored activities.

High school students must make advanced arrangements for make-up work to be completed with the home school prior to field trips.

VISITORS

Visitors to HPTC are welcome at any time. All visitors (including parents/legal guardians) must check in at the Student Services office immediately upon entering the building and sign the visitors' sign-in log. Students must receive prior permission from the Assistant Superintendent of Day Programs before having a guest at school and are not allowed to bring their children to school unless they have permission from the Assistant Superintendent of Day Programs.

INSURANCE

Students are responsible for their own accident and health insurance. The school does not carry insurance on students.

ON-THE-JOB TRAINING

On-the-job training may be part of the students' training. The Instructor will prepare training agreements with the employer and coordinate the training with the training station sponsor. The training station is considered an extension of the school. All required OJT paperwork must be completed and the counselor must approve the OJT placement prior to the student reporting to the job site. HPTC, clinical facilities and their respective owners and employees shall not be liable to students for civil damages or for any personal injuries which result from or arise out of the student's participation in the clinical practice.

JOB PLACEMENT

To receive information about job opportunities while in school, upon completion and at least one year after completion, please contact the school counselor at 580-571-6183 or the individual program instructor.

Each student will have the opportunity to work with the counselor and their program instructor to plan and develop job seeking skills. If you wish to receive a referral for employment from High Plains Technology Center you will (1) need to be a student or completer in good standing (academic progress, classroom attitude and attendance record), (2) participate in job readiness, activities through the AC and the individual program, and (3) follow up on job leads which you are given.

HPTC commits itself to a continuing good faith effort to maintain a drug-free school. During the school year, students may be required to attend drug awareness program(s). The program(s) will educate students about the dangers of drug abuse; available drug counseling, and rehabilitation and re-entry programs.

ADMINISTERING MEDICINE TO STUDENTS

Medicines shall NOT be administered to students by school personnel with the exception of the school nurse.

STUDENT STORE

A student store may be operated at scheduled times during school hours. It may contain school supplies, materials and items required for various classes, and other items for the convenience of students at HPTC.

BREAKS

Students and instructors will take their breaks together. Breaks are a granted privilege for students each morning and afternoon session. Misconduct can rescind this privilege. Vending machines are provided for these breaks. Food and drinks are not to be taken out of the approved break areas. Each student is expected to place their trash, cups, candy wrappers, etc., in the trash receptacle. Please help us keep our school clean.

A schedule designating break times will be provided for each program and students shall conduct themselves in a manner which is not disruptive. **Food and drinks are not allowed in the classroom or shop area**, unless authorized by administration. Students are not allowed to leave the building during break. Adult students may access the designated smoking area.

STUDENT LOCKERS

Student lockers are available in most of the classrooms or shop areas for the storage of books, supplies and equipment. Students are expected to keep them in a clean, usable condition. THE SCHOOL BULLYING PREVENTION ACT (70 OKLA. STAT. § 24-100.2)

These terms include, but are not limited to any gesture, written or verbal expression, or physical act that a reasonable person should recognize will: (1) harm another student; (2) damage another student's property; (3) place another student in reasonable fear of harm of the student's person or damage to the student's property; or (4) insult or demean any student or group of students in such a way as to disrupt or interfere with the School District's educational mission of the student or other students.

Bullying is an individual or group aggressive physical, emotional, verbal or sexual behavior whose intentions are to do harm to others. Bullying can include and is not limited to, name calling, verbal slurs, pushing, hitting, pinching, gesturing, threatening, disrespecting and taking items without permission. HPTC will not tolerate bullying behavior. This conduct shall be subject to the same disciplinary consequences as other misconduct.

Victims of alleged bullying incidents are encouraged to report the situation to a teacher or personnel in the Student Services office. Confidentiality will be maintained, within legal limits, and no reprisals or retaliation will be allowed to occur as a result of good faith reporting of bullying.

CYBER BULLYING

Cyber Bullying is the use of electronic information and communication devices to willfully and repeatedly harm either a person or persons through the medium of electronic text, photos, or videos. Examples of this behavior include but are not limited to:

- Sending false, cruel, vicious messages
- Creating websites that have stories, cartoons, pictures, and jokes ridiculing others
- Breaking into an email account and sending vicious or embarrassing materials to others
- Engaging someone in electronic communication, tricking that person into revealing sensitive personal information and forwarding that information to others
- Posting of a student picture without their permission

Bullying of this nature creates a hostile, disruptive environment on the school campus and is a violation of a student's right to be safe and secure. Cyber Bullying and Harassment will not be tolerated. Actions deliberately threatening, harassing, intimidating an individual or group of individuals, placing an individual in reasonable fear of harm or damaging the individual's

property; or disrupting the orderly operation of the school, will not be tolerated. The online activities and technologies often used by students engaged in Cyber Bullying include but are not limited to social networking sites, chat rooms and discussion groups, instant messaging, text messaging, computers, cell phones and personal digital devices, digital cameras, cell phone cameras, and web cams. As new technologies emerge, they too may be included with the above forms of electronic communication.

- Incidents of bullying at HPTC may be reported by any student, parent, school employee, or member of the public using the “Bullying Incident Report” form.
- Any school employee who has reliable information that would lead a reasonable person to suspect that an individual at the school is currently or has been the target of one or more incidents of bullying shall be required to report the information to the school's Assistant Superintendent. Failure by school employees to report incidents of bullying in accordance with the requirements of this policy may result in disciplinary action.

Privacy and confidentiality

Reports of bullying shall be kept confidential to the extent necessary to ensure compliance with the provisions of the Family Education and Privacy Rights Act (FERPA) and to protect students who report incidents of bullying from retaliation. In order to ensure individuals may report incidents without fear of retribution or retaliation, HPTC shall provide at least one method of anonymous reporting of incidents of school bullying that protects the identity of the individual reporting the incident. However, an anonymous report shall not be the sole basis for formal disciplinary action in response to an incident of bullying.

Action Steps to Respond to Cyber Bullying or Harassment

Appropriate consequences shall be imposed for every individual who commits an act of bullying or an individual found to have falsely accused another student of bullying as a means of bullying or retaliation or reprisal for reporting an act of bullying. Examples of appropriate consequences may include, but are not limited to the following:

- Verbal or written warnings
- Conferences with the parent(s)/legal guardian(s) of the high school students involved in an incident of bullying

- Loss of school privileges
- Prohibition or suspension of participation in school activities
- Out-of-school suspension in accordance with the provisions of HPTC policies and procedures pertaining to student discipline
- Reassignment, suspension, and/or termination of school employment
- Referral to law enforcement

CONTAGIOUS OR COMMUNICABLE DISEASE OR CONDITION PROCEDURE

If the Superintendent has cause to believe an employee or a student has a contagious or communicable disease or condition, the Superintendent shall require the individual to be examined by a physician licensed by the State of Oklahoma to determine if the individual does have such contagious or communicable disease or condition. The Superintendent shall also require the individual to have the results of the examination forwarded to him/her immediately by the examining physician.

If the individual refuses to have such an examination or to have the results of that examination forwarded to the Superintendent, the Supt. shall place the individual, in the case of an employee, on unpaid administrative leave, and in the case of a student, on administrative suspension until such examination is accomplished and its result transmitted to the Superintendent by the licensed physician.

If the result of the examination shows the employee or student to have a contagious or communicable disease or condition, the Superintendent shall, in the case of an employee, suspend the individual with full leave benefits or in the case of a student, suspend the individual with home study provisions.

In the case of a minor, the minor's parents or guardian shall be involved in the process from the beginning.

The Superintendent, at his/her discretion, may also consider and implement a course of action, which will leave the individual at the school, but isolate the individual. Any such course of action shall be in strict compliance with the directions of a physician licensed by the State of Oklahoma.

At any time any suspended or isolated individual may present to the Superintendent certification from the same physician who declares the individual free from the contagious or communicable disease or condition, and the Superintendent shall remove any suspension or order of isolation directed toward the individual.

The appeal of any decision hereunder is to the Board of Education which may uphold the Superintendent, overturn the Superintendent, or modify the Superintendent's decision in any reasonable manner.

If the examination by the licensed physician results in a finding that the individual does not have a contagious or communicable disease or condition, the district shall bear the cost of such examination. If the examination shows that the individual does have a contagious or communicable disease or condition, then the individual shall bear the cost of the examination. In any event, the cost of certifying that a person who has had a contagious or communicable disease or condition is then free of said disease or condition shall be borne by the individual. (8-94)

CAMPUS SECURITY AND THE RIGHT TO KNOW

HIGHER EDUCATION ACT SECTION 485(f) JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STAISTICS ACT (CLERY ACT)

CAMPUS SECURITY REPORT & STATEMENT OF POLICY ON REPORTING CRIME ON CAMPUS

HPTC strives to maintain a secure and safe environment for its students, employees, and the public, and encourages all persons to report any criminal or suspicious activity to the Assistant Superintendent who will take appropriate action after analyzing and investigating the seriousness of the incident. If a crime should occur on campus, a victim or witness should report it immediately to the Assistant Superintendent's Office located in the Student Services area. The Assistant Superintendent will report this crime to the appropriate local authorities who will then gather information and make an official report. He/she will maintain a daily record (crime log) of crimes reported to the police containing the nature, date, time, and general location of each crime and the disposition of the complaint, if known. This record will be available to the public upon request unless the release of information would jeopardize an on-going criminal investigation or the safety of any individual.

STATEMENT CONCERNING SECURITY OF FACILITIES

HPTC understands its mission in providing education to its students, including access to the facilities. It is equally important that we be aware of our responsibilities to our students, our employees, and the public in providing a secure and safe environment in which to study and work. Protection of the facilities and equipment is also considered.

There are scheduled times for all building lockups. HPTC maintenance staff performs these duties.

Classrooms are kept locked when a class is not in session. Students may be authorized to be in a classroom when class is not in session only under the direct supervision (physically present) of a faculty or staff member.

No building keys will be issued to students, nor will a faculty or staff member loan a building key to a student or non-employee. The only exception by the district is with permission of the administration.

HPTC faculty and staff are encouraged to check in with the law enforcement department if they are going to be in the building after normal working hours. Law enforcement agencies will also make periodic welfare checks.

STATEMENT OF POLICY ON CAMPUS LAW ENFORCEMENT

HPTC depends on local or county law enforcement services for its campus. These officers help provide a safe campus environment for students, staff, and visitors. HPTC has an agreement with law enforcement for officers to perform a variety of tasks, which include investigation of criminal activity, apprehension of criminals, accident and fire response.

HPTC maintains an excellent working relationship with local law enforcement officials. Serious crimes and other incidents that are deemed to be of interest to state and/or local agencies are reported to those agencies. All serious crime is reported to the Oklahoma Bureau of Investigation (OSBI) Headquarters for publication in the annual Uniform Crime Report.

HPTC encourages all persons to report criminal or suspicious activity to a HPTC administrator who will take appropriate action after analyzing and investigating the seriousness of the incident.

STATEMENT OF PROGRAMS AND SECURITY PROCEDURES AND PRACTICES

The campus security report is available to all HPTC students. Upon enrollment all students receive a copy of the Student Handbook, which includes a section that describes how and where students can locate this report. Also available to students is the Right-to-Know/Campus Security Act pamphlet. A copy of this Student Consumer Information Handbook, along with the pamphlet, is available in Student Services area, Counselor's Office, Financial Aid Office and in all Administrative Offices. In addition to being informed about Campus Security during orientation and with periodical updates, by October 1st of each year, High

Plains Technology Center publishes an annual Campus Security Report on our website at www.hptc.edu, and also a complete copy of the report may be viewed at <http://ope.ed.gov/security>. HPTC Crime Prevention activities may include, but are not limited to, crime prevention seminars for students, staff, and faculty.

DISCLOSURE REQUIREMENT of CRIME AWARENESS and CAMPUS SECURITY ACT of 1990 SENATE BILL 580

HPTC believes that the public should know how to report a possible crime which occurs at the site of the technology center. To report a possible crime, a victim or witness need to contact Barclay Holt or Taylor Burnett, Assistant Superintendent or Amber Riley, Counselor. The Assistant Superintendent will report this crime to the appropriate local authorities. The law enforcement agencies will then gather information and make an official report.

These acts expand the Clery Act's coverage rights to victims of domestic violence, dating violence, and stalking. They also update prevention guidelines and victim's rights.

In compliance of these acts, High Plains Technology Center will notify victims (students or employees) of their rights and options in writing, including the importance of preserving evidence; to whom an offense may be reported; the option to, or not to, seek police assistance; possible sanctions that may be imposed following an institutional disciplinary procedure; the institution's responsibilities regarding judicial no-contact, restraining and protective orders; existing counseling, health services, mental health services, victim advocacy, legal assistance and other victim services on-campus and in the community; and options for, and available assistance for, changing academic, living, transportation and work situations, if requested by the victim and such accommodations are reasonably available, regardless of whether the victim chooses to report the crime to local law enforcement.

High Plains Technology Center's procedures for investigating and conducting discipline proceedings in domestic violence, dating violence, sexual assault, and stalking cases include that the investigation and resolution will be prompt, fair and impartial; a "statement of the standard of evidence" used during the proceeding; the annual training of officials conducting the proceedings to ensure the protection of the victim's safety and the promotion of accountability; the identification of sanctions or protective measures the institution will impose after final determination that rape, acquaintance rape, domestic violence, dating violence, sexual assault or stalking has occurred; that the accuser and the accused are afforded equal opportunity to be present during the disciplinary proceeding; both parties must have the ability to be accompanied at any meeting or proceeding by an advisor of their choice; the accuser and the accused must be simultaneously notified in writing of the outcome of the proceeding, appeal procedures, any change to the result before it becomes final, when the result will become final, and that disclosure of the outcome is unconditional; and institutional policies that address the protection of a victim's confidentiality, including record-keeping that excludes a victim's personally-identifiable information.

High Plains Technology Center will offer students and new employees programs that promote awareness and prevention of rape, acquaintance rape, domestic violence, sexual assault, and stalking. These programs will include a statement that the institution prohibits those offenses; the definition of domestic violence, dating violence, sexual assault and stalking in the applicable jurisdiction; the definition of consent for sexual offenses in the applicable jurisdiction; "Safe and positive" options for intervention

by bystanders an individual may take to “prevent harm or intervene” in situations; recognition of signs of abusive behavior and instruction on how to avoid potential attacks; information about the institution’s policies and procedures; and ongoing prevention and awareness campaigns for students and faculty throughout the school year.

High Plains Technology Center follows the Clery Act’s anti-retaliation policy that “No officer, employee, or agent of an institution...shall retaliate, intimidate, threaten, coerce, or otherwise discriminate against any individual for exercising their rights or responsibilities under [the Clery Act].”

INTRUDER POLICY

An intruder is an individual in the school building who has not followed established visitor procedures and may or may not be a safety hazard to the school. Any student or school personnel who observes an individual in the building who appears suspicious or out-of-place should immediately contact the Student Services office or the main office for assistance.

EMERGENCY RESPONSE & EVACUATION PROCEDURE

The HPTC administration will immediately notify the campus community in the event and confirmation of an emergency or dangerous situation involving an immediate threat to the health or safety of the HPTC campus.

The decision to notify the community will be based on a case by case basis. The initial recommendation will be made by law enforcement personnel at the scene and they will request notification of the campus based on their professional judgment. This recommendation can be made to any senior administrator, but is typically made to the Superintendent or Assistant Superintendent/Director of Operations. The persons responsible for sending the official notification to the HPTC administration include, but not limited to, the Woodward Police Department, the Sherriff’s department, and/or the Woodward Fire Department. In the event of an incident which would require the larger community to be notified, information will be sent through the internet, local media, and local cable channels if appropriate.

HPTC designated persons will test the ERAEP periodically and document the information concerning a description of the exercise, i.e. date, time and if announced or not announced. This documentation will be kept in the Student Services Area

FINANCIAL AID

High Plains Technology Center participates in the Federal Title IV Financial Aid Program. Financial aid information and financial aid procedures as well as assistance is available in the Student Services area.

SATISFACTORY ACADEMIC PROGRESS (SAP) Policy

In order to receive Title IV assistance, a student must be enrolled in and attending an approved program (career major) at least part-time, be considered a regular student, make satisfactory academic progress, be within the approved attendance policy, be on schedule, and be in good standing. Satisfactory progress means that a student is proceeding in a positive manner in attendance and academic work toward fulfilling certificate requirements in a normal length of time. Federal regulations require all schools participating in state and federal financial aid programs to monitor SAP. The SAP standards are applicable to all (i.e., full-time, part-time) students attending HPTC.

SAP STANDARDS:

This institution requires its students to maintain Satisfactory Academic Progress (SAP) as established by this institution, in order to continue to matriculate at the school and to continue to be eligible to participate in the federal government's Title IV financial aid programs. Initially, students are admitted to an educational program based on having a high school diploma, GED or has been evaluated as having the ability to benefit (ATB). Once students are admitted SAP is monitored each payment period at this institution. SAP standards apply to all students (full-time or part-time), regardless of the source of the student's funding. All students must comply with the following standards:

1. **Qualitative:** All students must maintain a cumulative academic average of "C" (defined as 70% - 79%) for all programs with the exception of the Nursing Program which defines a "C" as 80% - 86% on all required course work.
2. **Quantitative:** Students are held responsible for regular and punctual attendance. Students must be in attendance 90% of the program. For example, a student scheduled to complete a 900 hour program must be present for a total of 810 hours of the entire program. Students requiring more time to complete the program have a maximum time frame of 133% of the normal length of the program to complete with the exception of those students who have been placed on ADA (American with Disabilities Act) 504 plans. High Plains works with these students for a longer period of time based on the estimated completion date established in the student's individual plan of study.

Maximum Time Frame:

All students must complete the program within (1.33 times or 133%) of the normal length of time required to complete the program as defined in the

enrollment agreement. This time frame will be measured in terms of clock hours attempted. An approved Leave of Absence (LOA) will extend the student's maximum time frame as well as the student's contract period by the number of days granted in the LOA. The LOA will not be included in the student's cumulative attendance percentage calculation.

Example of Full-Time and Part-Time Maximum Timeframes:

Full-time students attend 30 hours per week. In a program that is 900 clock hours and 30 instructional weeks, a full time student would be given a maximum timeframe of 1,200 hours and 37.5 weeks to complete. In the same 900 clock hour program, the part-time student has 60 instructional weeks to complete and would be given a maximum timeframe of 1,200 hours and 75 weeks to complete.

Pace of Progression defined:

This is the pace at which a student must progress through his or her educational program to ensure that the student will complete the program within the maximum time frame and provides for measurement of the student's progress at each SAP evaluation. The student must progress at a rate of 75% on completion of their program content in addition to attendance standards of 90% related to SAP in order to finish within the maximum time frame. Pace of progression is checked at the end of each payment period. Students not progressing at a pace, which will fall within the 133% time frame are not considered to be making SAP and will be so notified.

Withdrawal or course incompletes do not eliminate the requirements in #1 and #2 above. Hours transferred and accepted from another institution or previous hours attended and credited at this institution toward the student's program will count toward the 133% eligibility whether a student received Title IV federal student aid or not in order to graduate within the maximum time frame.

VOTER REGISTRATION

Voting for elective offices is a privilege enjoyed by Americans at 18 years of age. In accordance with this right, voter registration forms are available for all students in the Student Services area.

DRILLS

HPTC will conduct no less than four (4) security drills that are required per school year and one of these drills must be performed within the first fifteen (15) days of each school semester, no less than (2) other drills are required per school year and the drills chosen are consistent with the risks assessed for the appropriate facility.

No less than two (2) fire drills are required per school year and these drills must be performed within the first fifteen (15) days of each school semester.

. The fire alarm is signaled by a continuous blast of the alarm. The tornado and intruder drill will be signaled by an alert over the intercom system. Program instructors will go over the drill procedures with their students at the beginning of each enrollment period.

ARMED FORCES MEMBERS AND THEIR FAMILIES

Any member of the armed forces that is selected to serve active duty for more than 30 days will not be charged tuition rates higher than that of residents of the district. They will be entitled to the same refund policy as all HPTC students. Once eligible, they will be readmitted promptly into the same program with the same enrollment status and academic standing. The student must notify the school of his/her military service and intent to return either by oral or written notice. The notice of intent to return must be within three years after the completion of period of service. The student may contact student services, the attendance clerk, or the registrar to give their notice.

PARENT BILL OF RIGHTS

HPTC is in compliance with the Parents' Bill of Rights. Additional information is available for parents in the school policy manual on this subject. Parents may submit written requests to obtain the specific information listed in the Parents' Bill of Rights law during regular school business hours by contacting the Assistant Superintendent or Superintendent.

HATCH AMENDMENT

HPTC is committed to enforcing the Protection of Pupil Rights amendment (PPRA), 20 U.S.C. 1232h included in the Goas 2000 Educate America Act of 1994. PPRA applies to all funding provided by the United States Department of Education and seeks to protect the parents to inspect surveyor instructional materials if these materials or surveys are funded by the United States Department of Education.

With respect to survey activities, survey materials, evaluation materials, and instructional materials used by students and funded by the United States Department of Education, the school district will:

1. Make such materials available for inspection by parents.
2. Obtain written parental consent if students are required to participate in a survey, analysis or evaluation that reveals information such as:
 - Political affiliations
 - Mental and psychological problems potentially embarrassing to the student and his/her family
 - Sexual behavior and attitudes
 - Illegal or self-incriminating behavior (such as use or possession of tobacco, alcohol, or other drugs)

- Critical appraisals of other individuals with whom respondents have close family relationships
- Legally recognized privileged or analogous relations, such as those of Lawyers, doctors, and ministers
- Income (other than that required by Law to determine eligibility for participation in a program or receiving financial assistance under such programs)

"ASBESTOS HAZARD EMERGENCY RESPONSE ACT"

Federal law requires that schools be inspected for asbestos and asbestos-containing materials, and that a management plan be written which tells the results of the inspection and what actions will be taken. The A.H.E.R.A. Asbestos Management Plan is available during working hours for viewing and is located in the Maintenance Services office.
